VILLAGE OF WOLVERINE LAKE REGULAR COUNCIL MEETING MINUTES WEDNESDAY, AUGUST 14, 2019

1. CALL TO ORDER

President Nedrow called the meeting to order at 7:00 pm.

2. PLEDGE OF ALLEGIANCE

3. ROLL CALL

Present: Nedrow, Scott, Yourke, Sienkiewicz, Malek, Duff, Dumont

Absent: None

Others: Deputy Chief Woychowski, Attorney Elowsky, Engineer Powell, Administrator Smith, Treasurer Kondek and approximately 10 members of the public.

4. RC 8/14/2019 20744 ADDITION(S) TO BUSINESS | APPROVAL OF AGENDA.

Smith stated he would like to add 11K to the agenda, recommendation to approve Amendment 1 to the Agreement for I.T. Services between Oakland County and Village of Wolverine Lake to allow over the counter credit card payments.

MOTION by Malek, seconded by Dumont, to approve the agenda with the addition of item 11K, Amendment 1 to the Agreement for I.T. Services Between Oakland County and Village of Wolverine Lake to allow over the counter credit card payments, as presented.

All in favor.

Motion carried.

5. RC 8/14/2019 20745 CORRESPONDENCE AND INFORMATION.

Nedrow stated Council received the flyer for the Wolverine Lake Community Packing Party for the Troops. He stated the packing party is entering its 10th year and wanted to make sure all residents were aware of the upcoming date.

6. RC 8/14/2019 20746 1ST CALL TO THE PUBLIC – THIS IS AN OPPORTUNITY FOR CITIZENS TO ADDRESS THE COUNCIL ON AGENDA ITEMS.

Nedrow opened the 1st call to the public.

Judy Brenncke, 2227 Ellington, advised she would like to discuss the noxious weed ordinance. Brenncke advised her lawn mower broke down and she was unable to cut her grass for about 3 weeks. The Village sent the contractor out to cut her grass at her expense. Brenncke stated she didn't receive notice the contractor was coming out to cut her grass. She would like Council to take a look at the ordinance and possibly change it. She feels a written notice needs to be sent to homeowners.

Nedrow closed the 1st call the public.

7. RC 8/14/2019 20747 CONSIDERATION OF APPROVING THE FOLLOWING CONSENT AGENDA:

- A. Minutes of a Regular Council Meeting held on Wednesday, July 10, 2019, as presented.
- B. List of Warrants for the month of June in the amount of \$187,081.⁸⁷.
- C. Receive and File Department Reports:
 - 1. Building Report for July 2019
 - 2. Code Enforcement Report for July 2019
 - 3. Fire Report for July 2019
 - 4. Police Report for July 2019
- D. Receive and File Board Meeting Minutes:
 - 1. Park & Recreation Board for July 2019
 - 2. Water Management Board for August 2019
 - 3. Zoning Board of Appeals for July 2019
- E. Resolution exempting the Village from the requirements of Act 152 of 2011 according to MCL 15.568 Section 8 (1) for the next succeeding medical benefit plan coverage year, which beings January 1, 2020.
- F. Approving the proposal with Core Design Group for design services for the proposed Clara Miller Park Center in the amount of \$3,400.00

MOTION BY Duff, seconded by Dumont, to approve the consent agenda.

ROLL CALL VOTE

AYES – Scott, Yourke, Sienkiewicz, Nedrow, Dumont, Duff, Malek

NAYS – None

ABSENT - None

All in Favor.

Motion carried.

8. RC 8/14/2019 20748 BOARD APPOINTMENTS.

Recommendation to appoint Kyle Ingraham to the Alternate Position on the Zoning Board Appeals for a term to expire December 31, 2021.

MOTION by Duff, seconded by Dumont, to accept the Zoning Board of Appeals recommendation to appoint Ingraham to the Zoning Board of Appeals as an alternate with a term expiring 12/31/2021.

All in favor.

Motion carried.

Ingraham was then sworn in.

9. RC 8/14/2019 20749 PRESENTATIONS.

A. Onwards and Upwards Scholarships

Linda Champagne was present to discuss the scholarship recipients. Each scholarship is \$500.00.

1. Sharon A. Miller Scholarship Recipient – Olivia Kochevar

Champagne stated Kochevar is unable to be at tonight's meeting as she is volunteering at Central High School for their Freshman orientation. Kochevar participated in the Parks and Recreation Snacks with Santa and Easter Bunny Lunch, the Packing Party for Troops, Relay for Life and she does a lot of volunteering with her church.

2. Onwards & Upwards Community Enrichment Scholarship Recipient – Cody McCain

McCain spent almost 100 hours building the play structure at Amenia Park. He has built bat houses for area parks and worked at the Little Food Pantry. Champagne then presented McCain with his letter of scholarship.

B. Recommendations and updates from Engineer Powell.

Powell advised all of the paving projects have been completed in the Village including the construction and new paving of the parking lot at the tennis courts on Wakito.

1. Benstein Pathway Update

Powell advised the Village has been trying to get signatures from several property owners between Clara Miller Park and Glengary Road for a couple of years. Smith and Powell have recently met with some of the property owners and unfortunately some have refused to sign an easement for encroachment. Smith and Powell did meet with the Road Commission of Oakland County. Powell stated Oakland County will allow a permit for the pathway if the Village were to design the pathway in the existing road right of way. Powell advised there still is an issue at the Dairy Twist. Oakland County

will not allow a pathway at this location without having a curb due to the way the road tapers at this location. This will increase the cost along with potential drainage issues. Powell reminded Council this is a Tri County funded program. It is the hope the pathway can still be done this year.

2. Road Paving Update

Powell advised as stated previously all the road paving projects in the Village have been completed. Powell advised there is some pavement that still needs to be repaired along with some restoration. The contractor is aware of this and unfortunately it has taken longer than originally thought.

Powell advised a number of drainage improvements were done around the Village. He stated there is a drainage issue off of Shankin Court. The Village did open up the ditch lines and the ditch lines are holding water like they should but the homeowners are upset because the ditches are holding water longer than they would like. Powell advised he did design a French drain system where a pipe is surrounded by stone with a catch basin structure in the middle of each of these ditch lines that will hold the water and perk it away. Powell believes this system will work but it is costly and was not incorporated in the budget for 2019-2020. Powell received a quote of \$7,000.00 from JJM Backhoe Services to do the work and this system will be installed in front of 3 homes.

MOTION by Malek, seconded by Duff, to open to the public.

All in favor.

Motion carried.

John MacDonald, 1155 Glengary Road, asked why Shankin Court is not draining properly like it did early on. Powell advised he was not working when it was first put in. Powell stated there has been some excavating in this area however it is more about how long the water is staying in the ditch lines.

MOTION by Sienkiewicz, seconded by Duff, to close to the public.

All in favor.

Motion carried.

MOTION by Dumont, seconded by Sienkiewicz, to proceed with the French drain system not to exceed \$7,000.00.

ROLL CALL VOTE

AYES – Malek, Duff, Dumont, Nedrow, Sienkiewicz, Yourke, Scott

NAYS – None

ABSENT - None

All in Favor.

Motion carried.

3. Payment Request for JJM Backhoe Service in the amount of \$6,934.90.

This is for work that was originally to be done by ASI but JJM Backhoe Service was able to do the work at a much lower price. There are three invoices Powell is recommending to be paid. One is for mailbox replacement. 13 mailboxes had to be moved when doing the road paving projects in the Village. ASI quoted the Village of \$100 per mailbox and JJM was able to do the work for \$1,046.94. The second invoice is for the preparation work that needed to be done for the tennis court parking lot off of Wakito. JJM did the work, along with restoration and seeding, for a price of \$1,646.96. The third invoice is for the Angola storm street sewer. For years there has been a flooding issue along the south side of Angola coming down the street. The homeowner's allowed the Village to put in storm sewer to stop the flooding. JJM did the work for \$4,241.00 and this includes restoration.

MOTION by Sienkiewicz, seconded by Duff, to pay JJM Backhoe Service \$6,934.90.

ROLL CALL VOTE

AYES – Dumont, Duff, Malek, Scott, Yourke, Sienkiewicz, Nedrow

NAYS – None

ABSENT - None

All in favor.

Motion carried.

4. Payment Request for Asphalt Specialists, Inc. (ASI) in the amount of \$303,830.15

Powell stated their original invoice was for \$348,012.15. He has some issues with misc. repairs and that ASI overcharged the Village. Powell has disallowed any payment for misc. repairs on their invoice along with deducting 10% for work that has not been completed.

MOTION by Duff, seconded by Dumont, to pay ASI \$303.830.15.

ROLL CALL VOTE

AYES – Sienkiewicz, Malek, Yourke, Duff, Scott, Dumont, Nedrow

NAYS – None

All in favor

Motion carried.

10. RC 8/14/2019 20750 PUBLIC HEARINGS

None

11 A. RC 8/14/2019 20751 INTRODUCTION AND 1ST READING OF ORDINANCE 118-A2

An Ordinance to repeal Chapter 1610, International Fire Code, of Part Sixteen, Fire Prevention Code, of the Code of Ordinances for the Village of Wolverine Lake, and to replace it with a new Chapter 1610, International Fire Code, in order to adopt the International Fire Code, 2018 Edition, as the Fire Prevention Code for the Village of Wolverine Lake, and to include any additions, insertions and changes to the Fire Prevention Code necessitated by such adoption.

Elowsky advised item 11a and 11b are both part of the State of Michigan building code. The State of Michigan has certain building codes that update themselves and the Village hasn't updated these in quite some time. However, most updates are very minor and the Village does not need to update them every 3 years.

MOTION by Duff, seconded by Sienkiewicz, to introduce Ordinance 118-A2 International Fire Code updates.

All in favor.

Motion carried.

11 B. RC 8/14/2019 20752 INTRODUCTION AND 1ST READING OF ORDINANCE 124A-2

An Ordinance to amend Title Eight, Housing, of Part Fourteen, Building and Housing Code, of the Code of Ordinances for the Village of Wolverine Lake, by repealing Chapter 1480, Property Maintenance, and replacing it with a new Chapter 1480, Property Maintenance, in order to adopt the 2018 Edition of the International Property Maintenance Code as the Property Maintenance Code for the Village and to include the necessary additions, insertions and changes to the Property Maintenance Code necessitated by the adoption.

MOTION by Duff, seconded by Sienkiewicz, to introduce Ordinance 124A-2 Property Maintenance Code updates.

All in favor.

Motion carried.

11 C. RC 8/14/2019 20753 2ND READING AND ADOPTION OF ORDINANCE 160

An Ordinance to amend Part Six, General Offenses Code, of the Code of Ordinances for the Village of Wolverine Lake, by adopting a new Chapter 695, Invasive Species, in order to control and manage Invasive Species in the Village of Wolverine Lake.

Smith stated the Water Management Board reviewed the ordinance and the Board did have a few minor changes but nothing substantial.

MOTION by Duff, seconded by Dumont, to adopt Ordinance 160 as amended.

All in favor.

Motion carried.

11 D. RC 8/14/2019 20754 DISCUSSION ON THE NOXIOUS WEEDS ORDINANCE.

Elowsky advised the Village has a noxious weed ordinance which meets the State standards and per state standards the Village is only required to publish the ordinance in March. Some municipalities have in their ordinance that the homeowner be notified 3-5 days prior to comply before the grass is cut at the owner's expense. Elowsky also stated the Village does not have an actual height requirement within the noxious weed ordinance and this is something that Council may want to consider. As for fees, the Village will want to collect for the actual costs and then any administrative fee on top of the costs.

Malek advised he feels residents who have lawns that are getting long should be given notice prior to the grass being cut by the Village.

Elowsky stated Council would have to decide on a set number of how many days' notice is to be given and put that in the ordinance so there is no question. The consensus was a 5 day notice.

Elowsky advised another item to look at is the height, which typically is 6-8 inches. Council felt 7 inches was appropriate.

Elowsky asked if there would be an administrative fee on top of the actual costs incurred. Sienkiewicz felt an administrative fee should only be for repeat offenders. Elowsky advised most municipalities charge an administrative fee to cover their costs. It was decided to have actual administrative costs similar to a FOIA request.

There was some discussion about repeat offenders and Elowsky advised Council could add a penalty clause to the ordinance.

A hardship appeal was discussed and Elowsky advised she would include that and Council could review it. Elowsky stated this is only a discussion and nothing is being decided tonight.

Elowsky stated she would draft the changes and will present it at the next Council meeting for review.

11 E. RC 8/14/2019 20755 2ND CALL TO THE PUBLIC – APPROXIMATELY 9:00 P.M. OR AT THIS AGENDA ITEM (WHICHEVER COMES FIRST). THIS IS AN OPPORTUNITY FOR CITIZENS TO ADDRESS THE COUNCIL REGARDING VILLAGE BUSINESS.

Nedrow opened the 2nd call to the public.

Mark Giromini, Chairperson for Park and Recreation, 2459 Oakview, wanted to thank the Department of Public Works for their work at the park. Baby changing stations have been added to the restrooms. The annual garage sale was held with approximately 50 participants. Upcoming events include Tuesday's in the Park, Fishing Tournament and Village Festival/Corn Roast. Volunteers are needed for the Corn Roast.

Tim McCain, 1610 Ladd Road, asked Powell with the road paving completed on Ladd Road when would the top soil and seeding be finished. There are a lot of stones and gravel that have been on the roadway that he has had to sweep up. Powell advised he will be getting with Administration and look at a different company to complete the work and not ASI. He is hoping it can be completed within the next week.

John MacDonald, 1155 Glengary, feels there is a lot of speeding of vehicles on his street and throughout the streets in the Village. Vehicles are not going the posted 25mph. He advised there are removable speed bumps that can be installed in the spring and removed in the fall. He did want to thank the Police Department. The Police Department made his grandson's birthday a safe and happy occasion.

Nedrow closed the 2nd call to the public.

11 F. RC 8/14/2019 20756 DISCUSSION ON THE PROPOSALS FOR PRESSURE WASHING AND RESEALING THE OAK ISLAND BRIDGE AND THE BENSTEIN BOARDWALK.

Smith stated this item was brought up at the last couple Council meetings. DPW Leader Andy Stone has reached out to a couple of companies and received some quotes. For Oak Island Bridge one company quoted \$2,645.00 for pressure washing and sealcoating and the other company quoted \$3,526.00 for pressure washing and exterior paint. Smith advised that if Council approved one of the quotes they could make a motion not to exceed a certain dollar amount.

To do the Benstein Boardwalk one of the companies stated they are unwilling to do the project as one lane of Benstein would have to be shut down. Smith is waiting to hear back from another company and the third company who provided a quote stated they could do the work for \$38,600.00. DPW has done some repairs to the boardwalk.

Treasurer Kondek advised funds can be used from the local road fund to cover the cost of the Oak Island Bridge which allows for bridge repair and preservation. As for the Benstein Boardwalk local and major roads fund are not eligible to be used. This would have to be taken from the General Fund.

MOTION by Dumont, seconded by Duff, to approve the Benstein Boardwalk pressure washing and sealcoating not to exceed \$45,000.00.

ROLL CALL VOTE

AYES – Scott, Yourke, Sienkiewicz, Dumont, Duff

NAYS – Nedrow, Malek

ABSENT - None

Motion carried.

MOTION by Duff, seconded by Malek, to approve \$2,645.00 for the Oak Island Bridge pressure washing and sealcoating.

ROLL CALL VOTE

AYES – Malek, Duff, Dumont, Nedrow, Sienkiewicz, Yourke, Scott

NAYS – None

ABSENT - None

All in favor.

Motion carried.

11 G. RC 8/14/2019 20757 RECOMMENDATION FROM THE ADMINISTRATIVE COMMITTEE.

1. The Administrative Committee met on Friday, July 26 and made the following recommendation to Council for consideration at the August 14 Regular Council meeting. The recommendation encourages Council to proceed with the granting of an encroachment easement:

2545 ROSELAWN AVENUE:

a. Shed – Easement.

b. Vinyl Fence – Easement.

c. Cyclone Fence – will be removed by DPW.

d. RV – Request to remove from park property and park inside fence or on their driveway.

Smith stated the shed in not encroaching and therefore does not need an easement. Elowsky advised the recommendation should be for an easement of the shed if necessary and an easement of the fence.

MOTION by Duff, seconded by Malek, to open to the public.

All in favor.

Motion carried.

Steve Wood, 2545 Roselawn, was wondering why he has to move his RV that has been parked there since 1997 and it still going to be between the privacy fence and the house. Malek advised it is on Village property and if it is left there it sets a precedence.

MOTION by Duff, seconded by Malek, to close to the public.

All in favor.

Motion carried.

MOTION by Malek, seconded by Dumont, to grant the easement of the shed if necessary, the vinyl fence easement, cyclone fence removal by DPW and the request to remove the RV from park property for 2545 Roselawn Ave.

All in favor.

Motion carried.

11 H. RC 8/14/2019 20758 RECOMMENDATIONS FROM THE PARK AND RECREATION BOARD.

1. Recommend that Council approve the purchase and installation of two new slides for Clara Miller Park from Snider Recreation Inc. in the amount of \$20,825.00.

Duff asked if grant money was looked into for the slides. Dumont advised no. Smith stated grant money would be looked into for future equipment. Sienkiewicz advised he thinks it is a great idea to replace the slides as the old slides were a safety issue.

MOTION by Dumont, seconded by Malek, to open to Giromini, Park and Recreation Chair.

Giromini advised he believes the slides have a 10 year warranty. He stated it takes 30-40 days before the slides are available from the date of order. The new slides will be installed where the old slides are currently.

MOTION by Dumont, seconded by Malek, to close to Giromini.

MOTION by Sienkiewicz, seconded by Malek, to approve the purchase and installation of two new slides at Clara Miller Parking in the amount of \$20,825.00.

ROLL CALL VOTE:

AYES – Scott, Malek, Yourke, Duff, Dumont, Sienkiewicz, Nedrow

NAYS - None

All in favor.

Motion carried.

2. Recommend that Council release the budgeted funds for the Tuesdays in the Park Events.

MOTION by Yourke, seconded by Malek, to release budgeted funds for Tuesday's in the Park.

3. Recommend that Council release the budgeted funds for the Fishing Tournament.

MOTION by Yourke, seconded by Dumont, to release budgeted funds for the Fishing Tournament.

4. Recommend that Council release the budgeted funds for the Village Festival/Corn Roast.

MOTION by Yourke, seconded by Dumont, to release budgeted funds for the Village Festival/Corn Roast.

ROLL CALL VOTE FOR ALL THREE MOTIONS

AYES – Scott, Yourke, Sienkiewicz, Nedrow, Dumont, Duff, Malek

NAYS – None

ABSENT – None

All in favor.

Motion carried.

11 I. RC 8/14/2019 20759 RECOMMENDATIONS FROM THE WATER MANAGEMENT BOARD.

1. Recommend that Council allow for the purchase of a transponder system that measures water level, temperature, turbidity and water flow out of budgeted funds not to exceed \$3,200.00

MOTION by Malek, seconded by Sienkiewicz, to deny the request to purchase a transponder since it was discussed a length at the last Council meeting and it was a unanimous vote not to accept the recommendation.

Scott advised he would like to have a discussion. This recommendation is based on discussions at the Water Management Board meetings and conversations with WRC and DEQ. The Water Management Board has not received any lake level readings at their last few meetings. If a transponder is installed it will give a constant ongoing level of the lake and what is going on with the lake.

Malek feels the money could be used elsewhere and it was decided at the last Council meeting not to proceed with the recommendation.

Scott feels the Water Management Board works really hard for the Village and this type of equipment is important to the management of the lake.

Nedrow advised Council did not accept the recommendation last month because they did not have enough information and what the cost would be.

Scott advised the recommendation by the Water Management Board was a unanimous vote to bring before Council. The Board also has three scientists and these three scientists would like to have the digital data from the transponder.

ROLL CALL VOTE

AYES – Malek, Duff, Sienkiewicz, Yourke

NAYS – Dumont, Nedrow, Scott

ABSENT – None

Motion carried.

2. Recommend that Council use the Village property in front of the Penny Lake apartments for a natural shoreline pilot program for erosion control.

Sienkiewicz was wondering what the long term plan is and would it be costly. Would this be turned into a park at some point in the future. He feels the Village has enough it is trying to accomplish at Clara Miller Park without spending more money for another potential park.

Nedrow advised he believed the plan was to landscape it to keep it from deteriorating and to protect the shoreline.

MOTION by Dumond, seconded by Duff, to proceed with the shoreline pilot program on Village property in front of the Penny Lake apartments.

All in favor.

Motion carried.

3. Recommend that Council research the ownership of the property near Shankin with the culvert and have the DPW implement an erosion control program.

Scott advised this is on the south side of Shankin near the marina.

Powell stated a surveyor was out and there are possibly 3 sections of Village owned property in this area.

No action is needed from Council tonight as this item is being researched by Administration.

11 J. RC 8/14/2019 20760 SET TOPICS FOR THE AUGUST 28, 2019 WORK SESSION – IF NECESSARY.

MOTION by Duff, seconded by Malek, to cancel the Work Session for August 28, 2019.

All in favor.

Motion carried.

11 K. RC 8/14/2019 20761 AMENDMENT 1 TO AGREEMENT FOR I.T. SERVICES BETWEEN OAKLAND COUNTY AND VILLAGE OF WOLVERINE LAKE EXECUTED

Smith stated the Village already utilizes I.T. Services for online payments through the Village website and this would be for over the counter credit card payments at the Village office.

MOTION by Malek, seconded by Duff, to approve Amendment 1 to the Agreement for I.T. Services between Oakland County and the Village of Wolverine Lake to include over the counter credit card payments.

ROLL CALL VOTE

AYES – Scott, Yourke, Sienkiewicz, Nedrow, Dumont, Duff, Malek

NAYES – None

ABSENT – None

All in favor.

Motion carried.

12. RC 8/14/2019 20762 PENDING BUSINESS.

None

13. RC 8/14/2019 20763 UPDATE FROM DEPUTY POLICE CHIEF WOYCHOWSKI.
Woychowski stated several of his officers volunteered for the 1st Annual Kroger Zero Hunger Emergency Food Drive. The officers volunteered two Saturdays in a row and were able to collect 5 pallets of food in one weekend alone.

14. RC 8/14/2019 20764 UPDATE FROM TREASURER KONDEK.
None

15. RC 8/14/2019 20765 UPDATE FROM ADMINISTRATOR SMITH.
Smith stated L.Brooks Patterson's funeral will be Thursday at 1:30 p.m. at Woodside Bible Church in Troy.

The Clara Miller Park sign cannot be raised due to line of site issues and it is placed in its current location because of utilities and the new proposed pathway.

There are pickle ball parking issues and he has reached out to residents to use the new parking lot.

The Village Wide Garage Sale had a good turnout with 46 houses signing up to be on the map.

Smith has spoken with the State Health Department regarding the Spring Lakes Heights beach being closed due to high levels of E.coli. In investigating, it is possible the high level is due to geese, swans and possibly a failing septic. If residents are concerned about their area of the lake there are testing kits at Village Hall.

If Council members are interested MML is having a convention at Cobo Center September 25-27, 2019. The cost is \$449.00 however there is a voucher for a \$250.00 credit. The Village does have budgeted funds for Council members to attend conferences.

Smith stated Kondek and he have been discussing release of funds and how that is approached. They feel that if the items are budgeted and are under \$2500.00 that it could be under the Consent Agenda for Council. Nedrow states he doesn't know why it can't be done as a consent agenda and done at the next Council meeting.

Grant McNutt has been working hard on the harvester. As of August 9th the harvester has been out for a total of 70 hours. McNutt is going back to college soon but did state he can still harvest through September.

There are a few areas that will be treated for Phragmites this fall. Smith did provide a map of these areas for Council. Smith stated he did not have an exact date as of yet.

Smith advised Chief Ellsworth stated the Police Dept. was able to provide 266,313 meals with the Kroger Zero Hunger Emergency Food Drive. Those meals came from over \$22,000 collected in cash and nearly 45,000 lbs. in food.

16. RC 8/1/2019 20766 COUNCIL COMMENTS.

Malek advised as for the Spring Lakes Height beach closing, if the harvester could go to the area it would help stir the water up and get things moving. He also stated the State of Michigan is contemplating changing the wake from 100 feet to possibly 200-300 feet from shoreline, to other boats and little rafts. He would like to thank the Police Dept. for volunteering for the food drive.

Duff did not have any comment.

Dumont stated the Park and Recreation Board meets on Monday, August 19th in the Council chambers.

Scott did not have anything to report.

Yourke had no comment.

Sienkiewicz stated he feels the Village has the capability of extending the wake to 200 feet. Duff advised the Village does not. It is regulated by the DNR and DEQ. Sienkiewicz asked about the soccer league that was mentioned in the newsletter. Smith advised it fell through. Sienkiewicz stated maybe something should put together for baseball. Sienkiewicz advised there has been a lot of talk about blue green alga. He thought this may be a discussion for the Water Management Board on how it ignites, how it gets here and how does it start. Other than that, he stated everybody enjoy the lake and be safe.

Nedrow advised he might not be at next month's Council meeting. He wanted to remind everyone that October 12th is the Parking Party for the troops.

17. ADJOURNMENT

Next regular council meeting scheduled for Wednesday, September 11, 2019.

MOTION by Duff, seconded by Sienkiewicz, to adjourn the meeting at 9:10 p.m.

All in favor.

Motion carried.

Michael Smith, Village Clerk
Recording Secretary Michael Kondek

Brian Nedrow, Village President

PRELIMINARY
