Permit Information:

Department of Environmental Quality
 Water Division
 P.O. Box 30273
 Lansing, MI 48909-7773
 email: [@michigan.gov](mailto:deq-wrd-anc)

The chemicals used for Aquatic Nuisance Control are registered by the U.S. Environmental Protection Agency, and the Michigan Department of Agriculture. The potential for damage to fish and other non-target organisms is minimal provided that the product is used as directed on the product label and the permit. To minimize the possible effects on health and the environment, the treated water is restricted for the above purposes.

ATTACH TREATMENT MAP BELOW, IF REQUIRED.
