November 8, 2019

Dear Wolverine Lake Resident,

In a continuing effort to provide our customers with exception solid waste service, we have found it necessary operationally to change your service day from Tuesday to Monday starting in December. **Your first new collection date will be Monday, January 6, 2020.** Please set everything out for collection by 6:00 a.m. each Monday.

If your trash, yard waste, or recyclables are missed on pick-up day please call us that evening or the next day at 844-464-3587, and we'll dispatch someone to your curb.

Also, to insure pickup, please have your items at the curb by 6:00 a.m. on collection day. Place rubbish in cans NO LARGER THAN 32-GALLONS or tied plastic bags WEIGHING NO MORE THAN 50 POUNDS EACH. Rubbish can be set out at the curb no earlier than 12:00 p.m. the day before collection and containers must be removed from the curb-side before 9:00 a.m. the day after collection. Further as a reminder, yard waste bag/can collection through GFL (Green For Life Environmental) begins the First Monday of April and ends the Last Monday of November.

Thank you in advance for helping to make the transition to your new Monday service day a success. If you have any questions regarding waste or recycling pick up please visit the Village of Wolverine Lake website at www.wolverinelake.com or contact the Village offices at 248-624-1710. As a courtesy, we have enclosed a Curbside Recycling Guidelines informational form.

Warm Regards,

GFL Environmental USA Inc. | Village of Wolverine Lake
